Chicago Businessman | Community Service Provider | Former Candidate for Chicago City Council

RE: Endorsement of James Morgan for 29th Ward Alderman – 2027

Dear Residents of Chicago's 29th Ward,

It is with great pride and confident that I endorse **James Morgan for Aldermen of Chicago's 29th Ward in the 2027 elections.**

My experience campaigning for the 29th Ward seat on the Chicago City Council gave me a firsthand understanding of the challenges facing our neighborhoods and the responsibility of serving residents. As a Chicago businessman, community service provider, and former candidate for this office, I understand why strong leadership, meaningful community engagement, and a genuine commitment to improving residents' quality of life matter.

James Morgan's 30 years of service to the City of Chicago gives him valuable experience in municipal government and an understanding of how to make city services work effectively for residents. He brings a record of public service and a personal commitment to the community. His priorities—family, neighborhood safety, strong schools, and greater opportunities for residents—reflect what matters most to our community.

I believe the 29th Ward needs leadership that listens to residents, advocates for our neighborhood, supports local businesses, and holds city departments accountable. We must continue working to strengthen our communities, expand opportunities for our youth and seniors, address public safety concerns, and ensure that every neighborhood receives the attention and resources it deserves.

My work in community organizing and improving conditions on Chicago's Westside has reinforced my belief that public service must be about people, progress, and results. That belief is the foundation of my endorsement of James Morgan. Our residents need a representative who understands both the opportunities and the challenges facing our community.

I encourage the voters of the 29th Ward to join me in supporting James Morgan in the 2027 elections. Together, we can work toward a stronger, safer, and more prosperous ward where families can thrive; businesses can grow, and every resident has a voice in the future of our community.

James Morgan represents an opportunity to move the 29th Ward forward through experience, commitment, and service. I look forward to working alongside community members who share the vision for a better future.

Sincerely,

CB JOHONSON
